M-F 9:30am-12:30pm

Week One: Poetry and Art July 18-22 Cost \$170.00

We will create a handmade, bound book of our own poetry and explore mixed media illustration. Did you know some of the world's most famous artists dabbled in poetry!? We will study these artists, along with different types of poetry, to create a beautiful book in our own voice and style. Published poet, Stephanie Levin will assist. Ages: middle and high school...younger kids on approval from Jenny.

Week Two: Mini Masters July 25-29 Cost \$135.00

We will explore some of the world's most famous artists, their lives, and what set them apart from their contemporaries. We will work in a variety of media and create our own mini master pieces based on the masters. We will take a field trip to the NC Art Museum on last day. Ages: K-6 grade

Week Three: Open Studio Aug 1-5 Cost \$135.00

Need studio time to work on college portfolios or maybe you would just like to get lost in an oil painting for a week and learn new techniques. Here is your chance to have three hours of studio time each morning. Great opportunity for more serious artists in middle and high school and college bound kids. *Canvas not supplied. Possible field trip to visit local *happening* art studios.

Week Four: Watercolor Aug 8-12 Cost \$ 170.00
